## Bronze Range Units

Shanette has a range of sheds suitable for all domestic storage needs. Our three most popular ranges come with roof insulation, while the Silver and Gold Range sheds also feature wall insulation. The entry-level Bronze Range shed is more suitable for garden tools, lawnmowers, and bikes.

### Key Features

#### BRONZE RANGE GARDEN SHEDS

- 25mm Roof Insulation** - This prevents condensation forming and dripping from the roof.
- Horizontal Plank Effect Cladding** as standard. Vertical Box Profile available on request.
- 100mm heavy duty fully galvanised CE certified steel framework - strongest on the Irish Market.
- Pre-fabricated roof & wall panels for easy site installation.

# Silver Range Units

Introducing our Silver Range, a step up from the Bronze, designed to cater to your specific needs. What sets the Silver Range apart is its advanced 25mm roof and wall insulation, offering enhanced temperature control and comfort. With its robust construction and insulation, it ensures your space stays cosy year-round, making it the perfect choice for those who demand more from their outdoor storage.

For added comfort and insulation benefits, we recommend heating insulated units.
